Add: No. 1688, South Kongming

Road,Zhongjing Street,Wancheng

District,Nanyang,Henan,China

Product Series	Product Name	Model	Product Color	Substrate	Imaging Colors	Thickness ( μ m)	Ink Support	Surface	Application
Direct Thermal Label PP/PET Film	Dual-color Direct Thermal Label Film	TF-001	transparent/opaque /white/black/colorful can be customized	PP/PET	Black & Red Black & Blue	50-125 μ m	all mainstream thermal printer	Glossy	<p>This thermal label film is primarily used for barcode labels, shipping and logistics tags, product and shelf labels, price tags, document identification, and POS receipts.</p> <p>It is ideal for applications in retail, warehousing, healthcare, logistics, and office environments, where fast and reliable single-color printing is required.</p>
	Monochrome Direct Thermal Label Film	TF-002	transparent/opaque /white/black/colorful can be customized	PP/PET	Black.Blue.Red	50-125 μ m	all mainstream thermal printer	Glossy	
CAD Plotter PET Film	CAD Plotter Film	CAD-001	white	PET	multi-color	75-150 μ m	pigment&dye	Matte	<p>1.Architectural and construction drawings</p> <p>2.Mechanical engineering technical drawings</p> <p>3. Electronic circuit design diagrams</p> <p>4. Cartography and surveying applications</p> <p>5. Garment design pattern making</p> <p>6. Educational and training purposes</p> <p>7. Prototype design and template creation</p> <p>8.Quality control and inspection applications</p>

INDIGO PP/PET FILM	Indigo PET Film	IGPET-001	white	PET	multi-color	115/125/175 $\mu$ m	ElectroInk	Glossy /Matte	<b>Food Packaging:</b> Fresh produce packaging (fruits, vegetables) Snack food pouches and wrappers Frozen food packaging Coffee and tea packaging Confectionery wrappers <b>Industrial Applications:</b> Electronic component protection Pharmaceutical blister packs Medical device packaging Automotive parts protection <b>Consumer Goods:</b> Personal care product packaging Cosmetic packaging films Household product wrapping Gift wrapping and decorative films
	Indigo PP Film	IGPP-001	white	PP	multi-color	205/245 $\mu$ m	ElectroInk	Matte	
	Indigo BOPET Film	IGBOPET-001	white	BOPET	multi-color	100/120/140/180/190/270/350 $\mu$ m	ElectroInk, toner laser	Matte /Sandy	
Inkjet Positive Film	Upgrade Inkjet Positive Screen Printing Film with anti-static/slip backcoating	GWB135 $\mu$ m	Milky White	PET	black	135 $\mu$ m	pigment&dye	Glossy	<ul style="list-style-type: none"> <li>• Silk screen printing plate making</li> <li>• PCB circuit board production</li> <li>• Textile and T-shirt printing</li> <li>• Graphic arts and prepress industries</li> </ul>
		MWB135 $\mu$ m	Milky White	PET	black	135 $\mu$ m	pigment &dye	Matte	
	Eco solvent Film	EC115 $\mu$ m	clear	PET	black	115 $\mu$ m	solvent based ink	Glossy	
	Super Transparent Film	ST115 $\mu$ m	clear	PET	black	115 $\mu$ m	Dye	Glossy	
	Sandy Transparent Film	SDT115 $\mu$ m	clear	PET	black	115 $\mu$ m	Dye	Sandy /Matte
